

Miss Raylene's

GOOD SAMARITAN LIST

Cut each of these Good Samaritan Ideas out, fold them up, and place them in a jar. Then each day pull one out of the jar for you and your family to do together.

Clean out your toy box and make a bag of toys you no longer use to give to someone who would enjoy them.

Ask an adult to tell you their favorite thing they did when they were stuck inside as a kid, and then do it!

Draw cards of encouragement and send it to the Nursing Homes in your area to be given to those who cannot have any visitors right now.

Do a chore for your mother or another family member.....just because.

Write a letter or draw a picture and send it to a grandparent who is also isolated at this time.

Make up a song about the quarantine and then call someone who is alone at their house and sing it to them to lift their spirits.

Bake cookies or a meal and deliver it to the porch of someone who could use it.

Spread peanut butter on a pinecone and set it out for the birds!

Teach your family how to say Joshua 1:9.

Choose a verse of encouragement and memorize it together as a family.

Make thank you cards and send to those serving on the front lines, such as a nurse, doctor, policeman, or other first responder.

Offer to pick up groceries and deliver them to someone's porch who cannot get out to get the groceries themselves.

Pray for the World. Pray for the safety of all those on the front lines; for those who are sick; and for this to end soon!

**GO OUT FOR TAKE-OUT!!!
Support a family owned restaurant!**

Text someone who could use a friend today.

Set up a video chat with someone who is alone today.

Make up more of these to stick in the jar!!!
